SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT PURSUANT TO 37 C.F.R. § 1.97 ET SEQ.

Sir:

Applicants hereby submit to the U.S. Patent and Trademark Office form PTO-FB-A820 and a copy of the documents cited therein excluding the currently cited U.S. patents pursuant to the current waiver of the requirement under 37 C.F.R. § 1.98(a)(2)(i) to ensure compliance with the continuing duty of candor as set forth in 37 C.F.R. § 1.56. 1276 Off. Gaz. Pat. Office 55 (05 Aug. 2003). This submission is intended to augment, and not replace, the Information Disclosure Statement filed previously on December 11, 2003.

In the judgment of the undersigned, portions of the documents cited in form PTO-FB-A820 may be material to the present application, however, the filing of this Information Disclosure Statement shall not be construed to be an admission that the documents

cited are, or are considered to be, material with regard to patentability as defined in 37 C.F.R. § 1.56(b). The documents have not been reviewed in sufficient detail to make any other representation and, in particular, no representation is intended as to the relative importance of any portion of the documents. This statement is not a representation that the listed documents have an effective date early enough to be "prior art" within the meaning of 35 U.S.C. § 102 or § 103.

As this Information Disclosure Statement is being filed before the mailing of a first Office Action after the filing of a request for continued examination, Applicants believe that no fee is due pursuant to 37 C.F.R. § 1.97(b)(4). However, to the extent a fee is necessary, please apply any charges or credits to Deposit Account No. 16-1445.

Respectfully submitted,

Date: June 23, 2005
